

REMARKS

Claims 1-21 are in the present application. Claims 1-16 have been allowed by Notice of Allowance dated 3-29-05.

As claim 16 is a method claim, it seems appropriate to add some dependent claims thereto. Accordingly new claims 17-21 have been added as indicated above.

The new claims track respectively, the scope of allowed dependent claims 2,3,5,6 & 13, are believed within the scope thereof and are, of course, within the scope of allowed independent claim 16. Also no substantial added work on the part of the PTO is seen.

Accordingly, it is requested that the above amendment be entered and the application pass to issue.

In accordance with Section 714.01 of the M.P.E. P., the following information is presented in the event that a call may be deemed desirable by the Examiner to: Thomas C., Stover, A/C 781-377-3779.

Respectfully submitted,
